November 2008

Hi art friends,

I've spent this fall in my studio, working on new projects. Among other things, I've decided to do oil paintings on brass again.

I'm also delighted to have an article about my art in the magazine *Copper Forum*!

The time for the annual "open house" at my studio is drawing near - if you're close by, come and see the works where they are created! Dates and times are on the right... I hope to see you!

Take care,

*Marie Louise*

## ARTICLE IN COPPER FORUM

Copper Forum is an exclusive magazine published twice a year in Europe in ten languages. It features articles about copper, primarily in architecture in and outside the Nordic countries. In the latest issue there is a four page article about my art. The entire magazine can be downloaded off my website in all the languages. A warm thank you to the editor, Lennart Engström, for his and his colleagues' genuine interest in my art (and for the wonderful copper samples!) and to Jorma Naula who has created the beautiful graphic design.

## GULDNATTEN – THE GOLDEN NIGHT

At "The Golden Night" in Malmö on October 17th, two of my large works were presented to the winners of the title "Best Malmö Ambassador 2008". The Malmö Ambassadors are Ola Björgell and Kent Widding-Persson.

## OPEN HOUSE AT MY STUDIO

I am very happy to invite you to an open house at my studio on Eslövsgatan 1b in Malmö, Sweden. Like last year, I will be showing my latest works and serve port wine and chocolate. And also – if last year is anything to go by – there'll be really pleasant company!

Friday November 28th, 5.00 – 8.00 pm

Saturday November 29th, 1.00 – 5.00 pm

If you would like to come to the studio and can't make it on those days, please contact me and we'll find another time that is mutually convenient.

And do send me an e-mail if you need directions to the studio...
